The screenshot shows the homepage of the Kalvi Malar website. At the top, there is a navigation menu with categories like Universities, Colleges, Courses, Career Courses, Professional Institutes, Polytechnic Colleges, Distance Education, Councils, and Schools. Below this is a 'NEWS' section featuring an article titled 'Your Baby Can Read: Develop Your Baby's Reading Skills Within First 5 Years Of Their Age!'. The article text discusses the importance of early reading and mentions Dr. A. P. J. Abdul Kalam's views on education. To the left of the article is a sidebar with various educational news items, including 'SSLC Result', 'TNEA-2009', and 'TNEA-2008'. On the right, there are sections for 'Admissions Open' and 'High school education'. The bottom of the page includes a 'Viewer's Comment' section with a form for posting comments.
