~The first of its kind XSEED Workshop Designed for Parents' to Realize the Pot held at Hyderabad

Hyderabad, 9 February, 2011: IDiscover, the innovative education enterprise leadership, is set to organize the first of its kind XSEED workshop for parents' - I Hyderabad. Designed to help a parent understand and identify the child's true p be addressed by Ashish Rajasek, Founder & Managing Director, IDiscover. Edu along with children are likely to attend the workshop. The workshop will be hel from 10 AM at Yogi Bear Park, Necklace Road, Hyderabad. Entry to the works Parents can contact the schools for details and register, informed Mr. Anustup N. Education.

Child of Tomorrow will highlight how good parenting can help shape the competitive times. Ashish will share his experience in child development and hig in context of education and learning, said Mr. Anustup Nayak, Partner, IDiscover. media today.

IDiscover is working towards bringing cutting-edge research insights to improv school leaders. The organization has started work on educating parents on their and the forthcoming Child of Tomorrow is a significant step in that direction.

Focus group discussions organized with parents' of children in the age-group of highlighted that parents would like to know their children better to prepare the up a child in today's time is a challenge and parents are in the lookout for effect

Speaking on the occasion Anustup Nayak said "In these competitive times, when the hallmark of every classroom, it is a challenge to bring up children. The pe particular assumes more significance, since children start grasping the fundam serve as a base for the rest of their student life. More importantly, this is wher perception of success. Hence, at this stage, it is important for every parent to potential and guide him/her accordingly."

Child of Tomorrow is a unique workshop that has been designed to give the pa the child's strengths and weaknesses. The workshop aims to go beyond the tra route and give a "Strength Report" for the child that will enable the parent to ur so that he/she could be moulded accordingly. The workshop will involve a series designed to help one become the ideal parent, and the child to become the idea recognize the fact that all children are special in their own right, and can techniques that suit their way of learning. While parents will attend the discus children will experience the XSEED way of experiential learning.

Child of Tomorrow will be a forum where IDiscover will leverage its understan vindicated by the enormous success of XSEED, a proven learning tool used by India and now touches 1,20,000+ children and 32,000 teachers.

In Andhra Pradesh, IDiscover's XSEED has been adopted by over 100 schools over 40000 children. Schools that have partnered with IDiscover in the state School, Glendale Academy International, Niva Public School, Srigatha High Schoo DPS Vijayawada, Kennedy Nest Gan Kids, Paramita Group of Schools, Shree Gay more.
